PETITIONING THE COURT

- ☐ To extend the term of supervision for _____ years, for a total term of _____ years.
- ☒ To modify the conditions of supervision as follows:

You shall participate in the Location Monitoring Program and shall comply with the conditions of home detention, which will be monitored by a location monitoring system determined by your probation officer, for a period of 6 months. You shall wear (a) location monitoring device(s) and follow the monitoring procedures specified by your probation officer. You shall pay all costs of the program based upon your ability to pay as determined by your probation officer.

CAUSE

Lane is currently in custody due to pending supervised release revocation proceedings. Assistant United States Attorney Eric Counts and Federal Defender Stephen Ganter agreed that Lane shall be released from custody, pending the outcome of new criminal firearms charges he is facing in the Macedonia, Ohio. Government and Defense counsel further agreed, Lane shall participate in the Location Monitoring Program and shall comply with the conditions of home detention, which will be monitored by a location monitoring system determined by the probation officer, for a period of 6 months, to ensure Lane doesn't leave the Middle District of Alabama. The Court will schedule a status conference with all parties in six months to revisit Lane's pending supervised release revocation petition.

Lane consulted with his attorney and agreed to the proposed modification by signing PROB 49 (Waiver of Hearing to Modify Conditions of Supervised Release). It is, therefore, recommended that the Court modify Lanes' conditions of supervised release to include the above-listed special condition.
